Our purpose is to raise money that helps to support valuable youth programs. The Buck Fever Raffle Committee would like to request your participation by providing an item of your choice for the raffle.

Ideally, an item donated at a value around \$100 provides the best results; however, your participation at any level will enhance our ability to raise money for these great youth programs. If you prefer to make a cash donation, we will purchase an item for you.

We will display a color advertisement promoting your business along with the donated item for your recognition at the event. With early donations we will actively promote your business in the newspapers and on the radio. Several thousand people will see the advertisement of your business and the generosity of your donation for the youth of this area.

We offer a sponsorship program for the guns in our popular gun raffle. We are asking sponsors for \$300 per gun. As a sponsor of this raffle your name will prominently be displayed on a banner hanging in our raffle area as well as being announced during the event. As an added bonus to being a sponsor, you will be entered into a sponsorship drawing. We will be giving away \$300 in tickets for your choice of one of the following Gun Raffle Tickets, Bucket Drop Tickets or Gate Passes. We will need the sponsorship for these guns by September 30th to be entered into the drawing. Once all sponsorships are paid, drawing will be closed.

A member of the Buck Fever Raffle Committee will contact you in the near future. Thank you in advance for your valuable time and support.

Sincerely,

Kenneth Rab, Raffle Co-Chair
